

MAINSTREET *goes* GHOSTLY 2021

It's that time again for witches and ghosts (and their parents) to wander throughout the central downtown area. Coronado MainStreet sponsors this popular event each Halloween. This year, Halloween falls on Sunday, October 31st and we are asking for you to be prepared to welcome trick or treaters from 3:30 PM – 5:00 PM that afternoon if you can.

MainStreet board members and volunteers will be walking the area with extra candy should you need your supply replenished.

We notify pre-school and elementary-age school children from every school in Coronado about this annual event. This year again, there will be a postcard with a coupon on the backside that goes home from school with the children. This coupon will be deposited in a cauldron at the MainStreet table in the Rotary Plaza and we will draw for prizes of Coronado Currency, MainStreet's citywide gift certificate program. Be sure to remind your staff to accept these gift certificates because over \$300,000 is in circulation here and they are an important part of our community. They are easy to redeem and MainStreet takes no commission.

Thank you to all of the businesses for participating in this fun event. We couldn't do it without you and appreciate your generosity.

Questions? Call the MainStreet office at 619-437-0254.
