# MAINSTREET *goes* GHOSTLY 2022

Dear Coronado Merchant:

It's that time again for witches and ghosts (and their parents) to wander throughout the central downtown area. Coronado MainStreet sponsors this popular event each Halloween. This year, Halloween falls on Monday, October 31st and we are asking for you to be prepared to welcome trick or treaters from 3:30 PM – 5:30 PM that afternoon. Please call (619) 437-0254 during the event if your candy supply needs to be replenished, MainStreet board members will be available in the area with extra candy for delivery.

We notify preschool to 8th grade age school children from Coronado about this annual event. This year again, there will be a postcard with a coupon on the back side that goes home from school with the children. This coupon will be deposited in a cauldron at the MainStreet table in the Rotary Plaza and we will draw for prizes of Coronado Currency, MainStreet's citywide gift certificate program.

Be sure to remind your staff to accept these gift certificates because over \$300,000 is in circulation here and they are an important part of "Shop Local, Shop Small". They are easy to redeem and MainStreet takes no commission. Thanks for supporting your downtown. Thank you to all of the businesses for participating in this fun event. We couldn't do it without you and appreciate your generosity.

Questions? Call the MainStreet office at 619-437-0254
